

Scottish Bagpipe Solo Performance: Practice Chanter

SCQF level 3

Unit Code: F7NY 09

40 hour Unit

What are the Scottish Bagpipe Qualifications?

These are Scotland's Piping and Drumming Qualifications Board (PDQB) standards, based on the College of Piping and National Piping Centre Tutor Books and the Royal Scottish Pipe Band Association Structured Learning Manuals 1-3. They have been developed as an introduction to the finger movements and embellishments required to play the Scottish Bagpipe.

The Scottish Bagpipe is an ancient instrument requiring a variety of performance techniques. To be able to play a Scottish Bagpipe competently an understanding of musical theory, tuning, rhythm, melody, harmony, and musical ornamentation is essential.

The Bagpipe is synonymous with Pipe Bands and through diligent study and practice you will achieve a standard of playing which allows you to play individually or as part of a Pipe Band.

What is this Unit about?

In this Unit you will learn practical skills to build technical competence on the Practice Chanter. There are three study areas where you will:

Study area 1 Perform Piping exercises on the Practice Chanter.

Study area 2 Perform monotone exercises to show your understanding of rhythm.

Study area 3 Perform a programme of Bagpipe music on the Practice Chanter.

On completion of the Unit you should be able to perform exercises and music on the Practice Chanter, displaying correct basic technique.

If there is anything in this Unit you don't understand, ask your tutor to explain it to you.

What should I know or be able to do before I start?

You will need to have a level of generally secure technique on the Practice Chanter to allow you to develop the skills to the level required by this Unit. These skills may be demonstrated by the achievement of the Scottish Bagpipe Solo Performance (Practice Chanter) Certificate SCQF level 2, Institute of Piping 1 Certificate, RSPBA Elementary Certificate or PDQB Piping 1 Certificate.

Access to this Unit will be at the discretion of the assessment centre.

What do I need to do?

When you are showing practice skills

You will play exercises on the Practice Chanter to the required level. Exercises will include Doublings, the Throw on D, Grips, Birl and Birl with G Gracenote, Gracenotes, Taorluaths and Tachums.

When you are using monotone exercises

You will tap or clap out rhythms in Simple and Compound Time.

When you are performing a programme of Bagpipe music

You will play Bagpipe tunes in Simple and Compound Time on the Practice Chanter showing performance skill and technique.

How do I get this Unit?

You will need to show that you have developed and gained all the skills required in the Unit. The Assessor must observe and assess all practical performances. Each study area may be assessed individually; and all areas may also be combined in a single assessment event.

Each exercise and component of each piece is marked and a pass or fail is awarded for the Unit.

Guidance for tutors

This Unit is intended to introduce learners to the rudiments of Scottish Bagpipe music. There are three areas of study covering piping exercises, demonstrating an understanding of rhythm using monotone exercises and performing a programme of Bagpipe music on the Practice Chanter.

Tutors and instructors will find comprehensive supporting material in relevant publications such as the College of Piping and National Piping Centre Tutor Books, the Royal Scottish Pipe Band Association Structured Learning Manuals 1-3 or similar learning materials available from other Piping or Pipe Band organisations. Assistance is also available from the Piping and Drumming Qualifications Board in the form of sample test papers covering aspects of the Scottish Bagpipe Solo Performance (Practice Chanter) assessment. These are available for use as part of instructional programmes or for candidates who wish to take the assessments direct.

This Unit may form part of a Group Award in, for example traditional music, but can be offered on a standalone basis. The Unit may be delivered in a variety of ways from direct teaching/training courses, or practical workshop sessions. It may also be possible to deliver using computer-based distance learning programmes for personal study.

Assessment will follow procedures approved by the Piping and Drumming Qualifications Board. These procedures provide sample test papers in theory and practical aspects of the assessments, which are available for use as part of instructional programmes or for candidates who wish to take the assessments direct.

All assessment must be carried out in front of an approved Assessor either as individual assessments or combined in a single assessment event/performance.

An Assessment Support Pack has been produced for this Unit exemplifying assessment methods and to ensure standards are maintained. This pack includes example Assessor observation checklists.
